1. Who is the arm of My beloved, and who can know the King?
And who cares about them?
Who wants to know what's on My heart, in My mind, in that which I behold with Mine eye?
Who wants to come into Me and talk with Me?
Who wants to know how the earth was formed and how the plates shift, and why; and when they're going to again?
Who wants to know the twinkle in My eye and where it comes from, as I behold My beloved?

2. Who wants to know My values, My systems, My deliverables, yea, My that which I give to all so freely, so freely, so freely; to all who desire Me, who want Me enough to say "I believe; help thou My unbelief;" "here I am Lord, use me," "open my eyes, my ears and let me behold the Son of man, Son of God, God the Father, and how the Trinity works."

3. Let Me hold you in My arms, and yea, give you My questions to ask, so that I can answer the right ones; instead of being bored with maturity-stopped and immaturity wallowed in.

4. I love you
I give you Me.
I give you beholden Me, for I behold you, and what is it to behold the King?
What is it to behold His beloved?
What is it to be His beloved, My beloved?

5. What are you and what are you doing with your time?

6. Why do you think money is so important, and the values that other people place on the values which you think you've adopted, which advance what you think is right?

7. Why not come unto Me, you who are heavy laden, and I will give you rest.
Do you want to know what that is?
Do you want to know why rest is spoken of in Hebrews so often (1)?
Do you want to know why there is a rest that yet remaineth for My people (2), My beloved?

8. Who will come into the King, in the surrender of their mind, and rest, and let the King show you who you are, what you have, how you have been designed to fly (3) and operate in realms many, and yea, is immortality beyond My grasp? Have you sought to

know it, in Me, not without Me?

9. Why do you exclude Me, thinking Me empirical, not, when, yea, would there be anything here without you/Me?

10. Why do you insist on definitions so vague and ambiguous, that you think are so highly specific, and yet so narrow, that leaveth no room for exploration?

11. Where is your heart, and who is it open to?
Is your heart open to Me, My beloved, or are you My beloved?

12. You make the choice, every day you make the choice, with every grinding day of activity, you choose; and you grind out your poverty chosen in the doctrine and cultures of men. When into Me, when in to Me, I extend My hand, My kingdom. Am I chintzy, or full of grace and mercy and expansiveness?

13. Who will see My expanse?
Who will hear My request?
Who will come unto Me this day to hear/see/feel My heart?
Who will see My beloved in realms many; in shape, fashion, and form, beyond thought?
Why do you insist that, thought, what you think is thought, is so important to you?

14. Enter Me, enter My kingdom, enter My rest, enter that which I have given, bestowed, designed, request and invite you to operate in/as and enjoy the kingdom of heaven, yea, our Father's domain, and can anything withstand it? No.
Is anything as powerful? No.
There is no other; only deceit.

15. I come and I call, and day after day I have proclaimed/penned My writings through My little one, little no more, who comes into My kingdom and sups with Me and listens to My heart and opens and becomes so vulnerable, exposing every thought and every motive before Me and asking for correction and judgment so that he might please Me and mature. And yea, I have others that now that I raise for all the world to see, and yea, they operate in realms transcendent. Watch Me.

16. Watch what I do with My beloved, how I fold her arms around Me, incase her I do (4); we are one.

17. **What are you and what are you doing with your time?** And how will you survive the cataclysmic blast of My breath that now comes upon the earth, that indoctrinates no one, but speaks only of relationship and knowing My heart and intimacy?

18. Whose heart are you/have you; or do you know?
I love you. I give you Me.

19. I raise the simple ones now; those who have said, "Here I am."
All the world changes so very quickly.

20. Please know that I love you and I issue you this invitation to sup with Me as never before; to see you as My beloved; to see us together and let us operate transcendently; and watch and see if you don't change hands (5) and then, who is the King. I love you and I give you Me this day.

21. Surrender in the most holy place, for I give you Mine, says the Lord of host. Good day
